

Cumulative Index 1982, 1983, and 1984

Volumes 9, 10, and 11

SYMPOSIA

1982

<i>January</i>	ONE-STAGE RECONSTRUCTIONS
<i>April</i>	SCALP DEFECTS AND INJURIES, INCLUDING HAIR TRANSPLANTATION
<i>July</i>	SOCIAL AND PSYCHOLOGICAL CONSIDERATIONS IN PLASTIC SURGERY
<i>October</i>	MAXILLOFACIAL SURGERY

1983

<i>January</i>	CLINICAL MICROVASCULAR SURGERY
<i>April</i>	OFFICE SURGERY
<i>July</i>	AESTHETIC NECK LIFT
<i>October</i>	HISTORICAL PERSPECTIVES OF PLASTIC SURGERY

1984

<i>January</i>	PERIPHERAL NERVE MICROSURGERY
<i>April</i>	ADVANCES IN BREAST RECONSTRUCTION
<i>July</i>	BODY CONTOURING SURGERY
<i>October</i>	LIP SURGERY

Note: The volume year is in *italic* type. Page numbers of symposium and article titles are in **boldface** type.

Abbé flap, Schelderup's procedure combined with, 1984: Oct., 757
 short upper lip and, 1984: Oct., 756
 Abdomen, suction lipectomy of, 1984: July, 398
 Abdominal island flap, transverse, for breast reconstruction, 1984: Apr., 303-315, 317-331
 complications of, 1984: Apr., 345-349
 nipple-areola reconstruction in, 1984: Apr., 359
 Abdominoplasty, 1984: July, 427-432, 465-477
 in Australia, 1984: July, 533-541
 in Turkey, 1984: July, 479-489
 lower, 1984: July, 540
 reverse, 1984: July, 428
 Thorek techniques, 1983: Oct., 615-617
 Abdominothoracic flap advancement, for breast reconstruction, 1984: Apr., 255, 277-286
 Accounting procedures, in office surgery, 1983: Apr., 260-268
 Accreditation of office surgical facilities, 1983: Apr., 223-224

guidelines for, 1983: Apr., 225-226
 inspectors for, 1983: Apr., 224
 liability risk and, 1983: Apr., 255
 procedures for, 1983: Apr., 223
 questionnaire and checklist for, 1983: Apr., 223
 standards for, 1983: Apr., 224
 Acoustic neuroma, facial nerve grafting in, 1984: Jan., 221-225
 Acral parts, replantation of, amputated, 1983: Jan., 115-124
 Action potential, 1984: Jan., 40
 Acupuncture, for painful neuroma, 1984: Jan., 88
 Adenectomy, total mammary, for remaining breast, 1984: Apr., 366
 Adhesions, tubo-ovarian, microsurgical treatment of, 1983: Jan., 155-158
 Adrenal suppression, treatment of, 1983: Apr., 298
 Adrenergic blocking agents, 1983: Apr., 281
 Airway, management of, during maxillofacial surgery, 1982: Oct., 443-444

Airway (Continued)

- in fronto-naso-orbital trauma, 1982: Oct., 577-578
- upper, obstruction of, in children with craniofacial anomalies, 1982: Oct., 555-567
- Air conditioning, for office surgery facilities, 1983: Apr., 235
- Alloplastic implant, versus autogenous bone graft, in maxillofacial surgery, 1982: Oct., 539-540
- Allotransplantation, for extensive scalp defects, 1982: Apr., 153-158
- Alopecia, after scalp burns, rehabilitation for, 1982: Apr., 170-175
 - androgenetic, 1982: Apr., 198-202
 - cicatricial, of scalp, surgical treatment of, 1982: Apr., 179-196
- Ambulatory surgery, advantages of, medicolegal aspects of, 1983: Apr., 256
 - facilities for. See *Office surgery facilities*.
 - accreditation of, 1983: Apr., 223-224, 250. See also under *Accreditation*.
 - medical considerations in, 1983: Apr., 295-308. See also *Office surgery*.
 - nurses for, 1983: Apr., 248-249
 - physical plant and equipment for, 1983: Apr., 225-246, 247
 - procedure manuals for, 1983: Apr., 269-272
 - selection of drugs for, 1983: Apr., 277-284
 - surgeon's liability in, 1983: Apr., 247-252
- American Association for Accreditation of Ambulatory Plastic Surgery Facilities, 1983: Apr., 223, 255
- American Board of Plastic Surgery, formation of, 1983: Oct., 654
- American Society of Plastic and Reconstructive surgeons, accreditation of office surgery facilities, 1983: Apr., 223-224, 250
- Amputation, management of, in antebellum America, 1983: Oct., 675
- Analgesic drugs, for office surgery, 1983: Apr., 279
- Anaphylactic reactions, assessment and treatment of, 1983: Apr., 300
- Anastomoses, in microvascular surgery, 1983: Jan., 4
 - lymphovenous, for treatment of lymphedema, 1983: Jan., 134-136
 - microvascular, postoperative assessment of, 1983: Jan., 21-36
 - pyeloureteral, microsurgical aspects of, 1983: Jan., 160
 - ureteroureteral, microsurgical aspects of, 1983: Jan., 160
- Androgenetic alopecia, prevention and treatment of, 1982: Apr., 199-202
- Anesthesia, complications of, 1983: Apr., 293-294, 298-301
 - for blepharoplasty, 1983: July, 537
 - for cosmetic surgery, 1983: Apr., 285-287
 - for office surgery, 1983: Apr., 248, 270, 282-284
 - for SMAS-platysma rhytidectomy, 1983: July, 452
 - for submental lipectomy, 1983: July, 537
 - for suction lipectomy, 1984: July, 402, 557
 - general, complications of, 1983: Apr., 293-294
 - in office surgery, 1983: Apr., 289-294
 - in oral surgery, 1983: Apr., 313-319
 - ketamine, in cervicofacial rhytidectomy, 1983: July, 574
 - local, drugs for, 1983: Apr., 282-284
 - premedication for, 1983: Apr., 285
- Anesthesiologist(s), for office surgery facilities, 1983: Apr., 248, 255-256, 292
- Anesthetic drugs, 1983: Apr., 282-284, 290-292
- Angiography, after trauma, 1983: Jan., 185, 187
 - of penile system, 1983: Jan., 180
- Anotia, one-stage treatment of, 1982: Jan., 49-52
- Anticholinergic drugs, 1983: Apr., 281
- Antiemetic drugs, 1983: Apr., 302
- Anus, one-stage reconstruction of, 1982: Jan., 109-112
- Apert syndrome, cranial graft for correction of, 1982: Oct., 536
 - respiratory distress and, 1982: Oct., 557
- Apnea, sleep, in children with craniofacial anomalies, 1982: Oct., 555-567
- Aponeurotic musculature, treatment of, in abdominoplasty, 1984: July, 465-477
- Areola reconstruction, 1984: Apr., 353-355
 - banking, 1984: Apr., 353
 - free grafting, 1984: Apr., 354
 - tattooing, 1984: Apr., 353
- Arm, aesthetic surgery of, in Australia, 1984: July, 541
 - pain in, management of, 1984: Jan., 85-92
- suction lipectomy of, versus surgery, 1984: July, 438
- transplantation of functioning muscle to, 1984: Jan., 59-63
- Arteriography, for preoperative evaluation of hand, 1983: Jan., 139
- Arthroplasty, in temporomandibular joint surgery, 1982: Oct., 597
- Asymmetry, following breast reconstruction with implant, 1984: Apr., 344
- Attractiveness, facial, importance of, 1982: July, 387
 - psychosocial implications of, 1982: July, 289-296
- physical, in dating and mating, 1982: July, 290-291
- in estimation of others, 1982: July, 380-381
- in school, 1982: July, 292-293
- stereotype for, 1982: July, 291-292
- Aufrecht maneuver, 1983: July, 379
- Augmentation mammoplasty, 1984: July, 422-424
 - for contralateral breast after postmastectomy reconstruction, 1984: Apr., 367
 - in Australia, 1984: July, 527-531
 - psychological reactions to, 1982: July, 349-350
- Auricular nerve, injury in facelift surgery, 1983: July, 555
 - posterior, preservation in neck lifts, 1983: July, 405-409
- Australia, body contouring surgery in, 1984: July, 525-548
- Autograft, hair-bearing, for treating androgenetic alopecia, 1982: Apr., 202-203
- Axillary incision, for insertion of breast prosthesis, 1984: July, 530
- Axillary nerve, lesions of, 1984: Jan., 127
- Axonotmesis, 1984: Jan., 10
- Baldness, classification of, 1982: Apr., 270-271
- Bandaging, after suction lipectomy, 1984: July, 402, 555
- Banking, for areola reconstruction, 1984: Apr., 353
- Barbiturates, for office surgery, 1983: Apr., 279
- Beauty, facial, divine proportion in, 1982: Oct., 401-422
 - mathematics and, 1982: Oct., 403-409
- Behavior disorders, in patients for plastic surgery, 1982: July, 373-374
- Benzodiazepines, in office surgery, 1983: Apr., 280
- Biopsy, for breast cancer, 1984: Apr., 365
- Bipedicle flaps, for constructing anterior hairline, 1982: Apr., 140-141
 - submandibular, for lip reconstruction, 1984: Oct., 630
- Bipolar recordings of compound action potential, 1984: Jan., 48-50
- Bites, human, of lip, 1984: Oct., 773-775
- Blepharoplasty, submental lipectomy with, 1983: July, 536
- Blepharoptosis, one-stage treatment of, 1982: Jan., 45-48
- Blood, loss of, following suction lipectomy, 1984: July, 458
- Blood flow, postoperative, assessment of, 1983: Jan., 22-27
- Blunt technique of suction lipectomy, 1984: July, 393

- Body contouring surgery, abdominoplasty, 1984: July, 427-432, 465-477
 in Australia, 1984: July, 533-541
 in Turkey, 1984: July, 479-489
 lower, 1984: July, 540
 reverse, 1984: July, 428
 after correction of morbid obesity, 1984: July, 517-524
 augmentation mammoplasty, 1984: July, 423-424
 brachioplasty, 1984: July, 438, 541
 breast reduction, 1984: July, 424-427
 buttock-thigh deformities, secondary, prevention and treatment, 1984: July, 505-516
 hip-buttock-thigh plasty, secondary, 1984: July, 491-503
 in Australia, 1984: July, 525-548
 lipexheresis, 1984: July, 445-456. See also *Suction lipectomy*.
 mastopexy, 1984: July, 426, 532
 neoumbilicoplasty, 1984: July, 427-428
 reduction mammoplasty, in Australia, 1984: July, 525-527
 in Turkey, 1984: July, 479-489
 suction lipectomy, 1984: July, 393-408, 409-417, 420-422, 445-456
 complications of, 1984: July, 405, 411-413, 447, 452, 458-463
 in Japan, 1984: July, 549-566
 risks of, 1984: July, 457-463
 sequelae of, 1984: July, 404, 457-458
 symposium on, 1984: July, 391-566
 thigh-buttock deformities, secondary, prevention and treatment, 1984: July, 505-516
 thighplasty, in Australia, 1984: July, 541-547
 Thorek techniques, 1983: Oct., 615-618
- Body image, cognitive growth and, 1982: July, 308-309
 development of, 1982: July, 308-311
 effect of reconstructive surgery on, 1982: July, 307-315
 importance of, 1982: July, 340-341, 379-385
 in cleft palate patients, 1982: July, 323-324
 in transsexuals, 1982: July, 356-357
 loss of, in terminal patient, 1982: July, 335
- Bone, facial, growth during childhood and adolescence, 1982: Oct., 445-456
 regeneration of, for burned skull, 1982: Apr., 163
 replicas of, prior to grafting, 1983: Jan., 187-188
 vascularized, for grafting, 1983: Jan., 185-209
- Bone graft, autogenous, from calvarium, 1982: Oct., 531-538
 vs. alloplastic material, in maxillofacial surgery, 1982: Oct., 539-540
 for burns of skull, 1982: Apr., 162-163
 for craniofacial defects, 1982: Oct., 583
 for orbital reconstruction, 1982: Oct., 550
 vascularized, 1983: Jan., 185-209
- Brachial plexus, evoked potentials in diagnosing traction lesions of, 1984: Jan., 167-172
 free vascularized ulnar nerve grafts to, 1984: Jan., 137-142
 infraclavicular lesions of, 1984: Jan., 127-131
 irradiation plexitis of, 1984: Jan., 161-165
 management of injury to, 1984: Jan., 115-120, 121-126
 neurotization of, by anterior nerves of cervical plexus, 1984: Jan., 149-152
 intercostal, 1984: Jan., 143-147
 to irreparable nerve lesions, 1984: Jan., 153-159
 obstetrical palsy in, 1984: Jan., 181-187, 189-196
 paralysis in root avulsion of, 1984: Jan., 133-136
 supraclavicular lesions, 1984: Jan., 121-126
 tractions lesions of, rehabilitation following, 1984: Jan., 173-179
 upper trunk lesions, 1984: Jan., 121-126
- Brachioplasty, in Australia, 1984: July, 541
 suction lipectomy versus surgery, 1984: July, 438
- Brahe, Tycho, 1983: Oct., 629-633
 nasal prosthesis for, 1983: Oct., 695-696
- Branca, Antonius, 1983: Oct., 639
- Breast, developmental psychology of attitudes about, 1982: July, 347-349
 surgery of, patient instructions for, 1983: Apr., 350
 psychological reactions to, 1982: July, 347-354
- Breast augmentation, psychological reasons to, 1982: July, 349-350
- Breast cancer, biopsy for, 1984: Apr., 365
 epidemiology of, 1984: Apr., 231-232
 mammography for, 1984: Apr., 365
 surgical options, 1984: Apr., 231-236. See also *Breast reconstruction*.
- Breast reconstruction, complications of, 1984: Apr., 343-350
 immediate, 1984: Apr., 383-388
 after prophylactic mastectomy, 1984: Apr., 369-380
 by tissue expansion, 1984: Apr., 261
 implant insertion, 1984: Apr., 265-275
 in Australia, 1984: July, 533
 latissimus dorsi musculocutaneous flap, 1984: Apr., 256, 287-302
 complications of, 1984: Apr., 345
 with tissue expansion, 1984: Apr., 262
 lower thoracic flap advancement, 1984: Apr., 255, 277-286
 microvascular free flap, 1984: Apr., 333-341
 nipple-areola reconstruction, 1984: Apr., 351-364
 one-stage, without silicone implant, 1982: Jan., 85-89
 prophylactic mastectomy with immediate reconstruction, 1984: Apr., 369-380
 psychosocial issues, 1982: July, 351-353; 1984: Apr., 237-251
 selection of procedure, 1984: Apr., 253-256
 surgery for breast cancer, 1984: Apr., 231-236
 surgery for contralateral breast after postmastectomy reconstruction, 1984: Apr., 365-381
 symposium on, 1984: Apr., 229-388
 tissue expansion, 1984: Apr., 255, 257-264
 transverse abdominal island flap, 1984: Apr., 256, 303-315
 complications of, 1984: Apr., 345-349
 nipple-areola reconstruction in, 1984: Apr., 359
 operative technique, 1984: Apr., 317-331
 without skin flaps, 1984: Apr., 265-275
- Breast reduction, 1984: July, 424-427
 psychological reactions to, 1982: July, 350-351
 Thorek technique, 1983: Oct., 612-615
- Breast shape, 1984: Apr., 287
- Bupivacaine, 1983: Apr., 282
- Burns, alopecia after, rehabilitation for, 1982: Apr., 170-175
 commissure, nature of, 1984: Oct., 685
 treatment of, 1984: Oct., 685-687
 emotional problems after, 1982: July, 344-345
 forearm flap for, 1982: Jan., 21-26
 influence of Battle of Jutland on treatment of, 1983: Oct., 657-663
 medications for in antiquity, 1983: Oct., 603-610
 of lip, deep, reconstructive surgery for, 1984: Oct., 655-668
 electrical, in children, 1984: Oct., 669-683, 685-692
 third-degree, 1984: Oct., 656-663
 of scalp, surgical treatment of, 1982: Apr., 167-177
 psychosocial results of, 1982: July, 337-346
- Buttock-hip-thigh plasty, secondary, 1984: July, 491-503

- Buttock-thigh deformities, secondary, prevention and treatment, 1984: July, 505-516
- Buttocks, flat, correction of, 1984: July, 516
- saggy, correction of, 1984: July, 541
- suction lipectomy of, 1984: July, 398
- versus surgery, 1984: July, 432
- Butyrophonones, 1983: Apr., 281
- Cabinetry, for office surgery facilities, 1983: Apr., 234
- Calvarium, as autogenous bone graft, 1982: Oct., 531-538
- denuded, treatment of, 1983: Oct., 682-684
- Cancer, breast. See *Breast cancer*.
- head and neck, psychosocial implications of surgery for, 1982: July, 327-336
- recurrent, extirpation of cheek, nose, and lip for, 1984: Oct., 647
- Capping, of nerve, for painful stump neuroma, 1984: Jan., 81
- Capsule contracture, 1984: Apr., 344; July, 422-424, 527, 531-532
- Cardiac evaluation, preoperative, 1983: Apr., 296
